Installing Packer

01 Place files in ScriptUI folder

Place the following files in your ScriptUI Panels folder
for your version of After Effects.

packer_folder_settings.txt

Packer.jsx

Mac OS:

/Applications/Adobe After Effects <version>/Scripts/ScriptUI Panels

Windows:

C:\Program Files\Adobe\Adobe After Effects <version>\Support Files\Scripts\ScriptUI Panels

02 Changing Packer Settings

If you want to change how Packer creates folders in
After Effects you can watch this video.
